**VAMPIRE!**

A strange  
looking white  
mask?

Could this  
guy be...

Something  
inside me  
tells me I  
should run,  
but...

With this,  
it's like  
my whole  
body is  
clad in  
armor!

That  
stance...

Chinese  
martial  
arts!

He  
definitely  
felt that  
hit...

BUR...

Ferdy  
I could  
move my  
body  
little more

It wasn't  
enough!

That  
idiot  
brother!

What the  
hell have  
you done...

Both the one  
inside and the  
one outside  
were damaged.

The following  
devices I left in  
Sakura-kun's  
hospital room  
have been  
destroyed.

Ariki!

Erika  
Ariki!!

Erika...

Did they  
come visit  
him because  
of that?

The girl rescued  
by Soljou-kun  
yesterday seems  
to have been one  
of Saegusa's people.

You're  
useless.

There was an  
order from our  
superiors to not  
ingore any further.

So we're  
blind, huh?

Guessing  
will have  
to suffice.

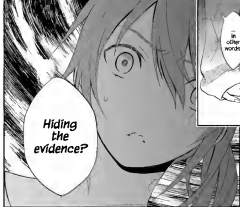

concealing  
the victims  
of this  
Vampire  
incident.

The  
Saegusa  
family  
seems  
to be...

Well, I can  
guess the  
rest from  
just that.

Light hits like that and nothing. I'm built like a tank.

Leo, it doesn't look like you were injured...?

What a nice lady.

Well, I'm wondering where and how you got hurt.

Suddenly, in the middle of the battle, my strength left my body.

Your strength left your body?

I don't really understand it much, but...

My consciousness was a bit hazy, but I recall it running away.

Then, my idiot brother found him collapsed on the scene.

Ruh, I didn't receive a single cut on my body and the blood tests didn't reveal anything either.

And you weren't poisoned or anything?

And? What happened to the vampire after that?

That's definitely strange.

and I couldn't discern from its body type either because of the hard body armor worn under the longcoat.

It had a hat lowered over its eyes and it wore a bright white mask.

But.

But that vampire? It had a weird appearance.

Did you see its face?

A  
"Parasite".

Parasitic  
beings invoke  
magic that  
alter their  
host.

They're also  
known as  
evil spirits  
and demons.

## PARANORMAL PARASITE

鬼魔物 (きまぶつ)  
(超常的な寄生体)

That's the  
name we  
Ancient  
Magicians  
have given  
them.

Paranormal  
Parasite.  
Also more  
simply,  
Parasite

Why do  
such  
beings  
exist...

*Parasite...*

So  
that's the  
true form  
of the  
vampires.

...  
and so,  
about the  
method to  
investigate  
the parasites  
that attacked  
Leo.

They  
seem to  
exist by  
means of  
magic.

We don't  
need to  
become  
unreasonably  
scared of  
the unknown.

Eth-

Ethereal  
body?

Leo,

Is it  
okay to  
examine  
your  
ethereal  
body?

In other  
words, the  
embodiment  
of your  
life and  
existence.

Your  
Ethereal  
body and  
soul are  
the same  
thing.

By doing  
that they  
can take  
in life energy.  
It seems to  
be their  
source of  
food.

The  
parasites  
consume  
human  
flesh and  
blood.

The amount  
of life force  
that's been  
taken out  
of you...

No, because  
in most cases  
the average  
person would  
be unconscious!

Hey, hey,  
what are  
you trying  
to say?

To be able to  
suck out life  
force in the  
middle of a  
battle,

To also  
suck blood  
seems like  
it'd be unne-  
cessary.

Well,  
yeah.

It's cause  
my body  
is special  
made.

So, about  
the masked  
woman who  
weakened me  
and sucked  
my spirit  
out.

Yeah,  
I think  
so,  
but...

did you  
come to a  
conclu-  
sion?

Blood was  
stolen without  
any scars  
left behind.

I don't know  
how that's  
possible.

But then  
why spend  
so much  
time suck-  
ing blood?

• Certainly...

Yeah,  
See ya

Leo-kun,

Get well  
soon!

...I know  
how you're  
really  
holding  
up, so...

There's no  
need to keep  
that tough  
act up for  
my sake,  
is there?

170  
たん

It was.

So, Iika.  
How about  
you?

Paradise,  
huh. That  
conversation  
was quite  
interesting  
indeed.

It seems  
like you  
listened  
to our  
conver-  
sation  
just now.

In addition  
to that, he's  
received my  
personal  
guidance.

He's the  
only one I  
can call  
my disciple.

Simply put,  
that guy has  
stepped through  
the gates of  
Chaos. He's  
our pupil.

**This  
is not  
toler-  
able!**

Such  
a cold  
line of  
reasoning.

My own  
disciple  
has been  
targeted.  
There's no  
way I could  
stay silent,  
right?

We  
simply have  
to take  
up the  
gauntlet.

The ones  
picking a  
fight is  
the other  
party.
